

# COSMOS

— A universe of coated luxury speciality papers and boards —

**2020**  
Version 3.01

## WHAT'S NEW

1. We are rebranding and super excited to unveil **COSMOS**; a **NEW** unified brand for our **coated range**, which replaces the old LustrePrint, SparklePrint, PosterPrint and GlowPrint names.
2. We are also **updating some the colour names** to reflect how we perceive, communicate and search online for colours in the UK and Europe. Please see the **range charts** for the new and old names. There is no change to the actual product colours.
3. We are growing our double-sided Pearl range and delighted to introduce **3 NEW colours in 2/Sided 300gsm; Sea Blue, Grass Green and Periwinkle Purple.**

# Colour Match & Bespoke Orders

**Can't find the right colour paper?** With our modest minimums, our custom colour service provides you the ability to create a unique tailor made paper to your own specifications.

Our manufacturing method allows us to produce paper products coated one-side, two-side or even different colours on each side, in any weight and size. Working with our partner MPI Papers in India, we can provide colour match tests so that you can proof and check everything before the actual production run.

Our minimum order for bespoke colour, size or weight is only **five hundred kilograms for paper** and **one tonne for board**. Please contact our sales team for further information.

## Envelope Base Paper

As well as our comprehensive stock and sell range, we also supply envelope base material to **UK & European converters and manufacturers**.

We can hold and deliver **call-off stock** within 1-2 days from our warehousing facility in Bradford or supply a bespoke making within 8 to 12 weeks, in both reel and sheet format as standard or FSC® certified.

# A universe of luxury pearlescent & speciality paper

Evergreen Papers is an independent family owned paper merchant and a European partner of MPI Papers, a leading manufacturer of speciality paper and board in India.

We stock and supply the largest range of pearlescent papers and boards in the UK and also manufacture through MPI a range of coated paper and board for Arts & Crafts, Luxury Packaging, Greeting Cards, Envelope Conversion, Education and Print.

Our coated products are manufactured with superior technology, are water based, environmentally friendly, and acid free. The coatings also offers the advantage of colour consistency, rich even shades and the ability to produce a kaleidoscope of rich vibrant colours in a range of thickness and finishes.

Stock items can be delivered within 2-4 working days to most parts of the UK.

We are here to help. Please contact us if you require more details on colour, weight, size, packaging or need a make-to-order service (minimum production applies).
